

GRANT SEEKER WORKSHOP

WHAT: Free Online Grantseeker Workshop
WHEN: Monday 26 October 2020, 10.30AM - 12.00PM AEST
WHERE: The workshop will be held online using Zoom

The Foundation for Rural & Regional Renewal (FRRR) will be holding a free online grant seeker workshop for community groups in North West QLD.

The workshop will highlight FRRR grants programs as well as provide grant writing tips so that community groups are more confident in applying for FRRR's range of grants programs including the Strengthening Rural Communities grants program.

Targeted to support not for profit community groups and organisations, Strengthening Rural Communities gives rural, regional and remote communities the opportunity to access funds to help their community grow and thrive. Grants are available for a broad range of initiatives that directly and clearly benefit local communities. Applications can be made all year round. Learn more about FRRR's grants programs on [FRRR's website](#).
