

PUBLIC NOTICE

Etheridge Shire Council wishes to inform Rural Property Owners that Council will not be holding a 1080 baiting program this year.

At a recent meeting of Council it was decided that to run an effective coordinated program across the whole shire and the unavailability of accredited resources, Council would not be in a position to logistically run an approved coordinated 1080 baiting program prior to the onset of the wet season.

If Property Owners still wish to bait for wild dogs, they can still do so by utilising the likes of K9 or Doggone Manufactured Baits.

Council apologise for the inconvenience that this has caused and looks forward to a productive 1080 baiting program in 2021.

If you wish to discuss this matter further, please do not hesitate to contact Council on 4079 9090
