#### BACKGROUND

RADF Committee was formed to ensure that all of Etheridge Shire had representation in deciding where RADF funds were to be spent. The Committee has five members with Cr Barn being the chair.

Council applies for RADF funding annually and this year we have received \$24,000. Committee at their initial meeting made the decision to release \$14,000 for community applications. \$5,000 had already been committed to 'Little Red in The Hood' stage show from previous year, leaving \$5,000 to keep in reserve for any impromptu events that may arise. Community applications closed 14 September and the committee assessed the applications October 7 inline for Council's meeting set for Oct 12 initially Oct 21- (see attached RADF Minutes) Three Community applications were received with two being successful and one not successful.
