Introduction

Welcome from Mayor

Welcome to Council's 2022/23 Operational Plan.

The Operational Plan is an important document within Council's Strategic Planning Framework. Its purpose is to identify the specific actions and outcomes Council wishes to achieve in the immediate 12 months, as part of our journey to achieving our stated Mission and Goals in our Corporate Plan.

Council has developed its 2022/23 Operational Plan in conjunction with its Annual Budget. It has also been heavily influenced by other key strategic planning documents, such as:

- Council's Long Term Financial Plan;
- Asset Management Plans
- Regional Plans (Queensland State Government NQ Regional Plan), NWQROC biosecurity Plan, others)

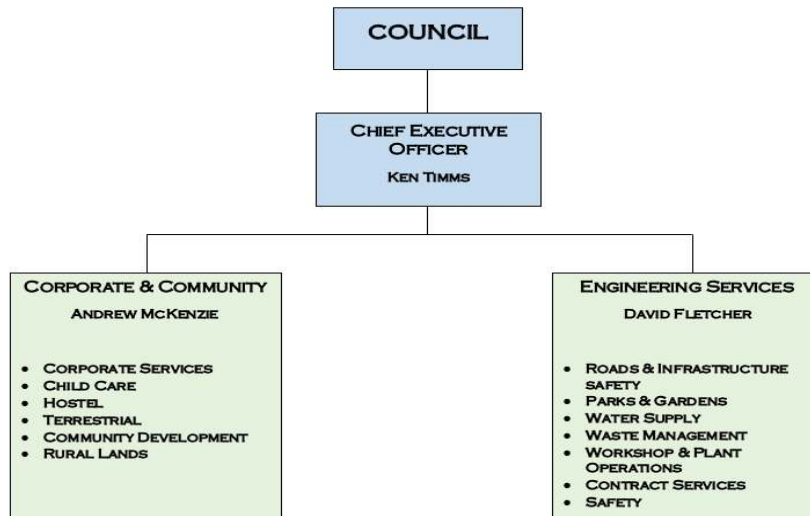

As the Operational Plan "operationalizes" Council's medium to long-term corporate strategy, it guides Council's Management and Staff in their day to day functions. To ensure Council's workforce deliver Council's desired strategy, the Chief Executive Officer is charged with the responsibility of providing a quarterly update on the Operational Plan's implementation. Each quarterly report is displayed on Council's website, as a "score-card" on our performance.

I would therefore encourage Shire ratepayers, residents and other stakeholders to take an interest in our journey toward reaching our longer-term strategic goals.

Cr Barry Hughes
Mayor
