

TENDER ESC2025-014

This Tender is to supply and pour concrete with required reinforcement, form work, access track and required traffic management plan within the Etheridge Shire Council.

Council is also using Vendor Panel for more options to facilitate the Local Government Procurement policy and procedures.

Submissions are now invited from qualified contractors interested in undertaking this work.

**Tender submissions close:
3.00 PM Friday 4th July 2025**

NOTE: Tenderers are to note the delivery address of their tenders and allow sufficient time for their tenders to be delivered to Georgetown by the closing date and time.

PO Box 12
Georgetown QLD 4871
