

PUBLIC NOTICE

IMPORTANT MESSAGE **FOR GEORGETOWN RESIDENTS**

Water service disruptions have been planned within the following period/hours:

MONDAY 10 JUNE 9:00 am to 1:00 pm

This disruption is necessary to allow council to carry out works on the water supply system.

Repairs to the water mains on ST George St may result in the water being turned off to the parts of the Georgetown Township. We will endeavour to keep disruptions to a minimum.

Cloudiness /discolouration may be present after a water main is turned back on. The water will return to normal in a few hours. If water appears cloudy / dirty run the tap for a few minutes.

Council wishes to thank you in advance for your co-operation and apologise for any inconvenience. However please do not hesitate to contact Shane Butler 0427 621 279 in the first instance or Terry Oconnell 0429 039 912 if you have a question in this regard.
