ETHERIDGE SHIRE COUNCIL

PUBLIC NOTICE

Changed Traffic Conditions – Flat Creek Road Intersection

Etheridge Shire Council advises motorists that road construction works are underway on the Flat Creek Road intersection on Forsayth–Georgetown Road.

A temporary detour will be in place from Saturday October 24 during the intersection upgrade.

Motorists should expect short delays, changed traffic conditions, reduced speed limits and traffic control, including temporary traffic lights.

For the safety of road users, workers and the travelling public, motorists must obey all temporary speed limits, traffic signage, traffic signals, and directions provided by authorised traffic controllers. **Failure to comply with these requirements places both workers and road users at risk.**

Please drive with caution through the work zone, remain alert to changing conditions and allow extra travel time for your journey.

Etheridge Shire Council and its construction team appreciate the patience and cooperation of motorists while these essential works are undertaken.

Please slow down and drive safely.

For more information, please contact Council on (07) 4079 9090 or via email info@etheridge.qld.gov.au
