

TENDER ESC2025-017

Road Repair Works – DRFA Program (2023/24)

Tenders are hereby called for road repair works including road sealing, stabilisation and road edge repair including supplying materials, plant, labour and traffic management as required under DRFA program within the Etheridge Shire Council.

Tenders are to use Vendor Panel to facilitate the local government procurement process.

Submissions are now invited from qualified contractors interested in undertaking this work.

Tender submissions Close:
3.00 PM Friday 25th July 2025

NOTE: Tenderers are to note the delivery address of their tenders and allow sufficient time for their tenders to be delivered to Georgetown by the closing date and time.

PO Box 12
Georgetown QLD 4871
